*Reflections* This week's inspirational message by Addy Oberlin

Life is full of happenings. A girl who just graduated from high school is off to college but "hates to say good-bye." Another young woman is counting the days and waiting for her first baby to be born. Two members of my family got married this year. An exciting happening. On the other side two of my best friends said good-bye to this world and went to Heaven. We could all write a book about successes and disappointments and changes in our life.

However one thing is staying the same. That is the love of God as it is proclaimed in John 3:16. God loved you and me so much that He sent His Son to take the punishment for our sins, so that we can have eternal life. When life is over on this earth we can look forward to a perfect life in Heaven. All we have to do is accept the fact that we are sinners, repent and accept Jesus Christ as our Saviour. Sin is not allowed in Heaven, only sinners, saved by grace.
